**** High Priority ****

Just a reminder:

We are holding an "emergency" Yucca Mt. transportation issues meeting this afternoon to review our Oct. 21, 2001 comments on Yucca Mt. In response to DOE's announcement last Thursday that they plan to recommend approval of the Yucca Mt. site, our Governor's Office has asked our Yucca Mt. technical review team to meet ASAP to review these comments, update them, if needed, and report back to the Governor's Office by Thursday. These comments are attached.

The meeting today is from 2:00 to 4:00 p.m. in the Third Floor Conference Room at 1516 Ninth St. Please confirm regarding whether you will be able to attend. Thanks.

Barbara
